

## Our Vision

We envision a Chicktime chapter in every community across America where like minded women can plug in and serve others.

Chicktime offers a fun and easy, no guilt format. We are a loving group of women committed to bringing that love to the hurting and the broken.

We readily admit that we are sometimes broken and hurting too... and know that giving of ourselves... and teaching the next generation to do the same... is sometimes the best path to healing.

Visit [chicktime.com](http://chicktime.com) today and plug into a chapter in your area. If you don't see one, contact [info@chicktime.com](mailto:info@chicktime.com) and let us help you start your own today!

# Chicktime

I already volunteer in many places,  
why add Chicktime to my plate?

Because there are still many hurting and broken people in your community that need to know someone cares. Chicktime is a collective effort to reach them in a fun, guilt free, low stress format.

Chicktime...  
encouraging women to develop their passions and use their gifts to make the world a better place for the next generation.
