About Chicktime...

Chicktime is a grass roots movement meant to support and encourage women living on the wild side, pursuing their passions with gusto. It is our belief that if each woman on the planet right now takes her place we can together accomplish the phenomenal.

We help passionate women set up Chicktime groups in their areas and get you started with all the goodies (bracelets, t-shirts, and our support!). Chicktime groups accomplish many things, here are a few: Connect women to creative and fun opportunities to pursue their passions while serving others, provide a place for mothers and daughters to serve and play together, and raise awareness for local woman and children's charities.

Each Chicktime chapter partners with local charities. A typical Chicktime chapter consists of a minimum of 12 core chicks, one for each month (based on the "bunco concept").

Most chapters grow to 100+ members! Each chick identifies her gift - something she loves to do - and shares it with other chicks and the charities her chapter serves in order to encourage all involved to identify and develop their gifts and use them to help others!

If you are not the leader that month, as a volunteer, you show up to assist the leader and love on the children your charity serves - guilt-free serving!

"Pure and lasting religion in the sight of God our Father means that we must care for the orphans and widows in their troubles, and refuse to let the world corrupt us." James 1:27
